

Ask ERI.. Peatland Showcase

Learn more about the latest research from our Peatland Theme including a chance to ask our researchers your peatland questions including:

Are salmon impacted by peatland health?

Do bogs breathe?

How will the Flow Country adapt to climate change?

What is the hidden role of peatland margins and pools?

Do predators use peatland roads to hunt?

How does sphagnum moss adapt to climate change?

Wednesday 16th November 6-7pm
ERI, Castle Street, Thurso, KW14 7JD
